hello!

Hello! I am Kayla and I'm a portrait and wedding photographer currently based in Corner Brook, NL.. I'm passionate about what I do and love creating art with each person for them to love and pass down. I'm also there to capture the joy, laughter, emotion, and beauty of your wedding day. I love it when my couples relax, go with the flow, and enjoy themselves.

engagements

Your wedding day is one of the most important days of your life. Making you feel comfortable and looking your best is what I strive for. Shooting an engagement session not only gives you a beautiful set of pictures to cherish, but also allows you to experience what your photography will be like on your wedding day.

I love capturing the “in-between” moments, the candid shots that bring out the raw emotions surrounding your special day. These are the moments that make up your story. So give me a shout. Let's be friends and get to know one another!

what to expect
